Carolina Greenworks is a construction company specializing in residential renovations, green building and home performance consulting.

We are a full service company dedicated to **quality construction** and **customer satisfaction**. Our goal is to provide clients with a **superior** finished product and a **positive** building experience.

#### WORKSHOP/STUDIO

Our **business values** stem from the delicate philosophy that all things are **interconnected**. We believe in the triple bottom line; people, planet and profit. Knowing that our building choices today affect the **quality of life** we have tomorrow, our construction process offers solutions to **maximize** your home's comfort, **improve** indoor air quality and **reduce** energy costs.
